12 weeks Intensive course

Designed for those who want to **study**, either for learning to **work** or simply for **personal interest**. Whatever your reason, we promise to give you the skills to help you in the future.

From the very first lesson you will be able to think in English and communicate with teachers and colleagues.

Our intensive courses can lead you to the **Cambridge certificates** (KET, PET, FCE CAE, CPE) or IELTS examinations!

Morning & afternoon classes: 25 hours programme covers all skills: speaking, pronunciation, listening, reading, writing, vocabulary and grammar.

25 hours / £160 per week

**All course materials included !
No extra fees**

We also have available:

Personal Study Programme / Private Lessons

Individual, tailor-made tuition where students can concentrate on areas of specific interest:

- One-to-one it is a flexible and eclectic style of teaching English focus on your individual needs.
- English for your specific purposes, e.g. business, tourism.
- Guided by highly specialized teachers.

This program will allow you to progress rapidly!

£30 per hour
